## ***A Study of The Life of Moses***

### **Overview**

Southeastern Leadership Training for Christ (SELTC) offers your congregation a great opportunity to develop future leaders. Our goal in SELTC is to challenge kindergartner through twelfth graders to (1) grow in their knowledge of God’s Word, (2) discover and develop leadership skills, (3) develop a servant attitude, and (4) learn to work as a team.

This manual provides an extended overview of SELTC events. Events are listed in the following categories:

- **Pre-Convention Events** – Pre-convention events explore talents from writing to Bible teaching. These events involve using various talents to work on different projects designed to glorify God.
- **Challenge Events** – Challenge events are designed to encourage a lifestyle of study, service, and leadership. Throughout the year, students are encouraged to spend time in God’s Word, serve others, participate in public worship and teach others.
- **Display Events** – Display Events allow students the opportunity to discover and develop artistic talents.
- **Convention Events** – Convention Events challenge students to spend time in God’s Word throughout the year, to develop specific talents in ways that serve God and others and to learn how to work as a team. These events are highlighted at the annual convention, normally held each Easter weekend in Mobile, Alabama.

It cannot be emphasized enough – SELTC is **not** about preparing for convention. It is about helping students grow in their relationship with God and each other. We pray students seize the opportunity, through SELTC, to become strong leaders in their youth group, congregation, family, and community.

### **History of Leadership Training for Christ (LTC)**

LTC began in 1989 in Texas to offer a training program for youth that emphasized leadership skills, Bible knowledge, and service. Rather than competing against one another, LTC is designed so children and teens can encourage each other. What began as one convention in Texas has grown to a dozen convention sites across the nation. More than 12,000 young men and women from across the country now meet on Easter weekend to celebrate their accomplishments from a year of LTC training and preparation.

### **2024 Theme – *Sanctuary (The Life of Moses)*** **2024 Theme Verse Exodus 15:17**

For 2024, we will study the Life of Moses. We are excited to be joining you in this study from Exodus 1-20, Numbers 10-14 & 20-24, and Deuteronomy 31-34.

*“You will bring them in and plant them on the mountain of your inheritance—the place, Lord, you made for your dwelling the sanctuary, Lord, your hands established.”*

**We look forward to seeing all of you at convention in 2024.**

## ***Convention Guidelines***

SELTC has been a wonderful experience for hundreds of families, primarily because of the effort many of you put forth throughout the year. We want to make a special effort to let our light shine during the convention. Please make sure all families are aware of these specific requests.

1. We are not the only guests at the hotel and the convention center. Let's all be on our best behavior.
2. Let's make a special effort to keep the noise level down in hallways, foyers, and rooms.
3. For your safety and the safety of others, always walk in the corridors and other public places.
4. Allow others plenty of access to public facilities by properly using elevators and corridors.
5. Take special care to protect hotel, convention center, and SELTC property.
6. Stay on the hotel property unless accompanied by an adult sponsor.
7. There is a general curfew for all convention participants at 11:30 p.m. Friday and Saturday night. Students should be in their rooms after curfew unless accompanied by an adult sponsor.
8. The nametag you receive at registration serves as your credentials for the convention. It should be worn throughout the convention, even when you are not actively involved in an event.
9. All events on Saturday are at the hotel property. It will be beneficial for you to locate the rooms in which you will participate at least 30 minutes prior to the starting time of an event.
10. It can be extremely distracting to students when others enter or exit a room while they are participating in an event. Each event will have specific rules about entering and exiting the room. Please respect our students and the effort they have put into each event.

**Others' impressions of Christ and HIS church are impacted by your behavior.  
Represent your family, congregation, and Christ by maintaining high standards of conduct.**

**Church coordinators, please make sure each family attending the convention is aware of these guidelines.**

## ***Judging Information***

### **General Information**

- There is a judge's sheet that reflects the judging criteria for each event.
- Participants do NOT compete against each other. Each participant is judged according to the criteria listed.
- Awards of Gold, Silver, and Bronze are given based on individual performance. For instance, if ten participants excel in speech, they may all receive gold medals.
- SELTC asks all adult judges to assess how a young person's work meets the standards outlined in this book.
  - o Make sure we encourage students to perform to high standards.
  - o To encourage our youth to improve over the next year, judges must give clear, understandable, and positive feedback.
  - o Judges at SELTC should not focus on the resources used (i.e. elaborate and expensive costumes), but rather on how students make use of the resources they have available.
  - o The uniqueness of each individual must be taken into account. The question is not, "Is this how I would have done it?" but, "Did this young person meet the standard or not?"
  - o Encourage those who have obviously put a great deal of time into their work and have worked hard to do their best.
  - o Students are at different points in their development. There is a different set of standards (i.e. song leading) for a beginning third grader, a seventh grader struggling with a changing voice, and an experienced senior.
  - o Do not use any judging standard other than those outlined.
  - o You may judge your own child. We do ask that you be objective. Also, please note at the top of your judge's form that you are a parent of this individual (i.e. speech) or a member of the group (i.e. chorus).

### **Requirements for Individual Congregations**

- **Each congregation will be asked to provide judges and scorers for a given event based on the number of entrants they registered in an event and the size of the congregation.** Judges are needed within the congregation for Friday evening Bible Bowl. Judges should be made aware of their obligation and attend the Judges Meeting Friday afternoon after congregation check-in.
  - o A general rule to follow for the number of volunteers (judges and room monitors) you should have from your congregation on Saturday is to provide one adult per the following formula.
    - Total number of "participants" in each event on Saturday divided by 5
  - o A participant, in this example, is not based on the actual number of people participating, but the total number of events in which they are participating.
  - o For example, Congregation ABC CofC has 20 registered students. 10 of those are participating in Speech, 5 in Drama, 20 in Display Events and 5 in Puppets. This would be 40 "participants" (10+5+20+5). To determine the number of judges and room monitors you should provide, divide 40 by 5. Congregation ABC CofC would need to provide 8 judges.

- Judges should be registered online (<http://www.seltc.org/judges-registration>). This can be done anytime throughout the registration period. (See Online Registration Instructions in the MY SELTC section).
  - o Bible Bowl Scorers and Bible Quiz Proctors are not registered on the portal and are not counted towards the number of judges/room monitors we ask your congregation to provide.
- All requests (whether by letter, e-mail, or phone) for assistance in locating judges should be answered promptly.

Judges must attend all scheduled judges' meetings and be at the correct location 15 minutes before the event.

- Judges should be familiar with the rules and judging sheets of each event they judge.
- Don't over-commit. Please make sure you fulfill all judging responsibilities before leaving an event.
- Adults with experience in a given event, who have the ability to encourage and not judge critically, and who have a heart for the mission of SELTC make the best candidates for judging positions.

## ***General Event Information and Rules***

### **Pre-Convention Events**

- **All pre-convention events must be postmarked no later than **March 10, 2024**.**
- A pre-convention submission form (provided in the “forms” section of this manual) must be sent with each application.
- Some events require additional information that must be sent with each application.
- Awards and any items related to the event mailed to SELTC will be given to the congregation coordinator at the SELTC Convention.
- Participants should be registered in each pre-convention event.
- Participants not attending the convention should be registered, including the \$40 registration fee.

### **Challenge Events**

- Congregation coordinators prejudge all challenge events. Please review all individual forms, making every effort to:
  - o Keep the standards high.
  - o Make certain the student actually performed the work listed with minimal adult supervision.
  - o Remember that these are supposed to be challenges and not “gimmies.”
- All challenge events must be turned into SELTC Central upon arrival at the convention.
- A challenge form must be completed (provided in the “forms” section of this manual).
- Participants should be registered in each challenge event.
- Participants not attending the convention should be registered, including the \$40 registration fee.

### **Convention Events**

- A participant may be in only one individual or team event during a given time period.
- For a team event, team assignments must be provided during the registration process. Team sheets will be provided to the judges based on these assignments. Awards will also be distributed based on these assignments.
- In a team event, a participant may move up to an older level, but an older participant may not move down to a younger level. Each team will participate at the grade level of the highest graded member.
- Participants should be registered in each convention event.
- Participants must be registered, including the \$40 registration fee.
- Judges' critique sheets will be placed in congregational packets to be picked up at the end of the convention.

**Each registered participant will receive a t-shirt, plaque and engraved award medals for all events in which they participated. Requests for awards, corrections, or updates are due no later than April 28, 2024.**

## ***Scholarships***

### **Overview**

Since SELTC began in 2001, thousands of dollars in scholarships have been presented to students who have excelled in leadership. Participation in an activity is not necessarily evidence of leadership. These scholarships are for those who have demonstrated leadership in their youth group, church, school, and community. Our hope is that students will continue to discover and develop their leadership skills following graduation from high school.

Scholarship applications must include two reference letters from adults. A teacher, coach, principal, or counselor can give a recommendation regarding school. A preacher, elder, youth minister, or Bible class teacher could provide information about your leadership in youth group and church. A civic leader (mayor, judge, police, etc.), a Boy/Girl Scout leader, or a civic organization leader could tell about your leadership in the community. Letters must represent at least two of the three above areas.

### **The Process**

Applications should be sent to SELTC by preconvention events deadline. Christian colleges may award scholarships or SELTC based on the applicants' leadership abilities.

### **Christian College Scholarships**

SELTC Scholarship award winners must be a current senior and be registered for the current year's convention.

The universities, which may make scholarships available through SELTC, do so in hopes of enhancing their chances of attracting high quality students to their campuses.

If you receive an SELTC scholarship, consult the college that provided it for details. In some cases, leadership scholarships from Christian Colleges may not be combined with other leadership scholarships. They may, however, be used in combination with other types of scholarships (such as academic scholarships).

### **Tomberlin Servant Leadership Scholarship**

To apply for a Tomberlin Servant Leadership Scholarship, students should

- Be a current senior
- Have attended SELTC throughout high school (9<sup>th</sup> -12<sup>th</sup> grade).

How well students describe leadership contributions will be a very important factor. Students should clearly realize that mere participation in an activity is not necessarily evidence of leadership. Perhaps it is too obvious to say, but we will say it anyway--if one does not "lead" in an activity, it is difficult to award a "leadership" scholarship. The scholarship is for those who by their "track record" in life have demonstrated leadership. The scholarships are for those who have demonstrated leadership in church, school, and community.

Students should send two references to be nominated for a scholarship. The nominations must be from two different sources – a church leader, a school leader, or a community leader.

The Tomberlin Servant Leadership Scholarship is available for use at any University.

**The scholarship application is in the Forms Section of this manual.  
You may apply for both scholarships using one form.**
