“The One”

A Study of The Book of Luke

Overview

Southeastern Leadership Training for Christ (SELTC) offers your congregation a great opportunity to develop future leaders. Our goal in SELTC is to challenge kindergarten through twelfth graders to (1) grow in their knowledge of God’s Word, (2) discover and develop leadership skills, (3) develop a servant attitude, and (4) learn to work as a team.

This manual provides general information and overview of SELTC and convention scheduling, participation, and registration. An extended overview of SELTC events can be found on the website at <https://www.seltc.org/reference-material/ltc-events/>. Events are listed in the following categories:

- **Pre-Convention Events** – Pre-convention events explore talents from writing to Bible teaching. These events involve using various talents to work on different projects designed to glorify God.
- **Challenge Events** – Challenge events are designed to encourage a lifestyle of study, service, and leadership. Throughout the year, students are encouraged to spend time in God’s Word, serve others, participate in public worship and teach others.
- **Display Events** – Display Events allow students the opportunity to discover and develop artistic talents.
- **Convention Events** – Convention Events challenge students to spend time in God’s Word throughout the year, to develop specific talents in ways that serve God and others and to learn how to work as a team. These events are highlighted at the annual convention, normally held each Easter weekend in Mobile, Alabama.

It cannot be emphasized enough – SELTC is **not** about preparing for convention. It is about helping students grow in their relationship with God and each other. We pray students seize the opportunity, through SELTC, to become strong leaders in their youth group, congregation, family, and community.

History of Leadership Training for Christ (LTC)

LTC began in 1989 in Texas to offer a training program for youth that emphasized leadership skills, Bible knowledge, and service. Rather than competing against one another, LTC is designed so children and teens can encourage each other. What began as one convention in Texas has grown to a dozen convention sites across the nation. More than 12,000 young men and women from across the country now meet on Easter weekend to celebrate their accomplishments from a year of LTC training and preparation.

2025 Theme – *The One*
2025 Book of Study - Luke
2025 Theme Verses

Luke 1:35 “So the holy one to be born will be called the Son of God.”

We look forward to seeing all of you at convention in 2025.

Important Information

- **JUDGES RUBRICS**

We have revised our judging sheets for ALL events. They are found on the website under the Reference material menu on the website or by clicking [here](#). PLEASE REVIEW THE REVISED JUDGING FORMAT PRIOR TO CONVENTION. By reviewing these, you will know the judging requirements for each event. Also, registered Judges need to plan to be at the Judges meeting on Friday afternoon at 5:45pm in the Mobile Bay Ballroom directly behind SELTC Central.

- **DATES / DEADLINES**

The deadlines for the 2025 Convention are found in the manual and on the website. Please make a note of them on your calendar.

- **TEAM SHEETS**

For all Team Events, whether Pre-Convention or Convention, team assignments must be made at the time of registration. Team sheets will be provided based on the assignments made by the church coordinator and provided to the Event Judges. A PDF Team Sheet is also available under the PDF Forms menu on the website or by clicking [here](#).

- **JUDGES / DOOR MONITORS**

Each registered team for Bible Bowl must have a Judge assigned to that team. You will also register all judges for Saturday events on the website on Registration page under the My LTC menu on the website or by clicking [here](#). More information about judging requirements can be found on page 7 of this manual.

- **AWARD PACKETS**

Award Packets will be made available 30 minutes after the last event and **completion of church coordinator survey.**

- **CHURCH COORDINATOR COVENANT**

All Church Coordinators will be required to sign a NEW covenant each year as part of the Church Pre-Registration process to ensure we maintain current contact information. To Pre-Register your church online, please go to Church Registration on the Registration page under the My LTC menu on the website or by clicking [here](#).

* Changes for 2025:

- We are introducing a Special Needs designation for all events. If you have a child with special needs, please have your church coordinator note it during registration.
- We are adding a Christian Podcast Pre-Convention Event. Details are being finalized and the informational Guidelines and Judging Rubric will be available shortly after Registration opens in October.
- All Hotel Rooms will be requested at Registration under the Church Coordinator registration along with Extra T-Shirt orders. Additionally, you will need to provide a count of Student & Adult participants under the Church Coordinator registration to apply registration costs for each participant.
- We are working on accepting Credit Card payments at the time of registration. This should be finalized by the time the Registration portal opens on October 13, 2024.

* All Pre-Convention submissions will be submitted as normal through mail and/or emailed to seltc.office@gmail.com

Mail Address: SELTC

Convention Guidelines

SELTC has been a wonderful experience for hundreds of families, primarily because of the effort many of you put forth throughout the year. We want to make a special effort to let our light shine during the convention. Please make sure all families are aware of these specific requests.

1. We are not the only guests at the hotel and the convention center. Let's all be on our best behavior.
2. Let's make a special effort to keep the noise level down in hallways, foyers, and rooms.
3. For your safety and the safety of others, always walk in the corridors and other public places.
4. Allow others plenty of access to public facilities by properly using elevators and corridors.
5. Take special care to protect hotel, convention center, and SELTC property. Please ask students to clean up after themselves or notify the Church Coordinator or a Board Member at SELTC Central if anything needs to be cleaned or something has been broken.
6. Stay on the hotel property unless accompanied by an adult sponsor.
7. There is a general curfew for all convention participants at 11:30 p.m. Friday and Saturday night. Students should be in their rooms after curfew unless accompanied by an adult sponsor.
8. The nametag you receive at registration serves as your credentials for the convention. It should be worn throughout the convention, even when you are not actively involved in an event.
9. All events on Saturday are at the hotel property. It will be beneficial for you to locate the rooms in which you will participate at least 30 minutes prior to the starting time of an event.
10. It can be extremely distracting to students when others enter or exit a room while they are participating in an event. Each event will have specific rules about entering and exiting the room. Please respect our students and the effort they have put into each event.

**Others' impressions of Christ and HIS church are impacted by our behavior.
Represent our families, congregations, and Christ by maintaining high standards of conduct.**

Church coordinators, please make sure each family attending the convention is aware of these guidelines.

Judging Information

General Information

- There is a judge's sheet that reflects the judging criteria for each event.
- Participants do NOT compete against each other. Each participant is judged according to the criteria listed.
- Awards of Gold, Silver, and Bronze are given based on individual performance. For instance, if ten participants excel in speech, they may all receive gold medals.
- SELTC asks all adult judges to assess how a young person's work meets the standards outlined in this book.
 - Make sure we encourage students to perform to high standards.
 - To encourage our youth to improve over the next year, judges must give clear, understandable, and positive feedback.
 - Judges at SELTC should not focus on the resources used (i.e. elaborate and expensive costumes), but rather on how students make use of the resources they have available.
 - The uniqueness of each individual must be taken into account. The question is not, "Is this how I would have done it?" but, "Did this young person meet the standard or not?"
 - Encourage those who have obviously put a great deal of time into their work and have worked hard to do their best.
 - Students are at different points in their development. There is a different set of standards (i.e. song leading) for a beginning third grader, a seventh grader struggling with a changing voice, and an experienced senior.
 - Do not use any judging standard other than those outlined.
 - You may judge your own child. We do ask that you be objective. Also, please note at the top of your judge's form that you are a parent of this individual (i.e. speech) or a member of the group (i.e. chorus).

Requirements for Individual Congregations

- **Each congregation will be asked to provide judges and scorers for a given event based on the number of entrants they registered in an event and the size of the congregation.** Judges are needed within the congregation for Friday evening Bible Bowl. Judges should be made aware of their obligation and attend the Judges Meeting Friday afternoon at 5:45 in the Mobile Bay Ballroom after congregation check-in.
 - A general rule to follow for the number of volunteers (judges and room monitors) you should have from your congregation on Saturday is to provide one adult per the following formula.
 - Total number of "participants" in each event on Saturday divided by 5
 - A participant, in this example, is not based on the actual number of people participating, but the total number of events in which they are participating.
 - For example, Congregation ABC CofC has 20 registered students. 10 of those are participating in Speech, 5 in Drama, 20 in Display Events and 5 in Puppets. This would be 40 "participants" (10+5+20+5). To determine the number of judges and room monitors you should provide, divide 40 by 5. Congregation ABC CofC would need to provide 8 judges.

- Judges should be registered online (<http://www.seltc.org/judges-registration>). This can be done anytime throughout the registration period. (See Online Registration Instructions in the MY SELTC section).
 - Bible Bowl Scorers and Bible Quiz Proctors are not registered on the portal and are not counted towards the number of judges/room monitors we ask your congregation to provide.
- All requests (whether by letter, e-mail, or phone) for assistance in locating judges should be answered promptly.

Judges must attend all scheduled judges' meetings and be at the correct location 15 minutes before the event.

- Judges should be familiar with the rules and judging sheets of each event they judge.
- Don't over-commit. Please make sure you fulfill all judging responsibilities before leaving an event.
- Adults with experience in a given event, who have the ability to encourage and not judge critically, and who have a heart for the mission of SELTC make the best candidates for judging positions.

General Event Information and Rules

Pre-Convention Events

- **All pre-convention events must be postmarked no later than March 16, 2025.**
- A pre-convention submission form (provided in the “forms” section of this manual or on the website under the PDF Forms menu or by clicking [here](#)) must be sent with each application.
- Some events require additional information that must be sent with each application.
- Awards and any items related to the event mailed to SELTC will be given to the congregation coordinator at the SELTC Convention.
- Participants should be registered in each pre-convention event.
- Participants not attending the convention should be registered, including the \$40 registration fee.

Challenge Events

- Congregation coordinators prejudge all challenge events. Please review all individual forms, making every effort to:
 - Keep the standards high.
 - Make certain the student actually performed the work listed with minimal adult supervision.
 - Remember that these are supposed to be challenges and not “gimmies.”
- All challenge events must be turned into SELTC Central upon arrival at the convention.
- A challenge form must be completed (provided in the “forms” section of this manual or on the website under the PDF Forms menu or by clicking [here](#)).
- Participants should be registered in each challenge event.
- Participants not attending the convention should be registered, including the \$40 registration fee.

Convention Events

- A participant may be in only one individual or team event during a given time period.
- For a team event, team assignments must be provided during the registration process. Team sheets will be provided to the judges based on these assignments. Awards will also be distributed based on these assignments.
- In a team event, a participant may move up to an older level, but an older participant may not move down to a younger level. Each team will participate at the grade level of the highest grade member.
- Participants should be registered in each convention event.
- Participants must be registered, including the \$40 registration fee.
- Judges’ critique sheets will be placed in congregational packets to be picked up at the end of the convention.

Each registered participant will receive a t-shirt, plaque and engraved award medals for all events in which they participated. Requests for awards, corrections, or updates are due no later than May 11, 2025.

Scholarships

Overview

Since SELTC began in 2001, thousands of dollars in scholarships have been presented to students who have excelled in leadership. Participation in an activity is not necessarily evidence of leadership. These scholarships are for those who have demonstrated leadership in their youth group, church, school, and community. Our hope is that students will continue to discover and develop their leadership skills following graduation from high school.

Scholarship applications must include two reference letters from adults. A teacher, coach, principal, or counselor can give a recommendation regarding school. A preacher, elder, youth minister, or Bible class teacher could provide information about your leadership in youth group and church. A civic leader (mayor, judge, police, etc.), a Boy/Girl Scout leader, or a civic organization leader could tell us about your leadership in the community. Letters must represent at least two of the three above areas.

The Process

Applications should be sent to SELTC by preconvention events deadline. Christian colleges may award scholarships or SELTC based on the applicants' leadership abilities.

Christian College Scholarships

SELTC Scholarship award winners must be a current senior and be registered for the current year's convention.

The universities, which may make scholarships available through SELTC, do so in hopes of enhancing their chances of attracting high quality students to their campuses.

If you receive an SELTC scholarship, consult the college that provided it for details. In some cases, leadership scholarships from Christian Colleges may not be combined with other leadership scholarships. They may, however, be used in combination with other types of scholarships (such as academic scholarships).

Tomberlin Servant Leadership Scholarship

To apply for a Tomberlin Servant Leadership Scholarship, students should

- Be a current senior
- Have attended SELTC throughout high school (9th -12th grade).

How well students describe leadership contributions will be a very important factor. Students should clearly realize that mere participation in an activity is not necessarily evidence of leadership. Perhaps it is too obvious to say, but we will say it anyway--if one does not "lead" in an activity, it is difficult to award a "leadership" scholarship. The scholarship is for those who by their "track record" in life have demonstrated leadership. The scholarships are for those who have demonstrated leadership in church, school, and community.

Students should send two references to be nominated for a scholarship. The nominations must be from two different sources – a church leader, a school leader, or a community leader.

The Tomberlin Servant Leadership Scholarship is available for use at any University.

**The scholarship application is in the Forms Section of this manual.
You may apply for both scholarships using one form.**

Online Registration Instructions

Instructions

Online registration is a two-step process and is handled 100% online. The first step will be the church registration and church coordinator covenant. Upon completing the church registration, you will be emailed the password to the Participant Registration site. This step allows us to ensure all registered churches are active in the participant registration database and that we have current contact information for each Church Coordinator. You may access the registration site through our website at our [Registration page](#). It's quick, easy, and saves a tremendous amount of time (and paper).

The Registration page contains both the Church Registration and Participant Registration links. It is important to have all hotel information, number of participants, and participant event information and team assignments on hand at the time of initial registration. You will first register the Church Coordinator for the church and provide information for the congregation, **hotel room reservations**, and **provide number of participants**, and **Observer T-shirt order**. After completing the Church Coordinator Registration, you will see the total due for all participants, hotel rooms, and T-shirt order. When you click "Save Participant", you can choose to "Add Another Participant" to begin registering your Student/Adult participants.

It is most efficient to have all Participant Registration information on hand when you begin the Registration Process. Once you complete the first participant, you can select "Add Another Participant" to move to the next participant. Once all participants have been registered, you will select "Continue to Billing" to input Credit Card information or select check to mail a check. Once registration has been completed, you will receive an email to set up your webconnex account to edit any participant between early registration and the time the portal closes on March 9, 2025. Your webconnex account allows you access to the registration database to edit participant registration information (add events, remove events, etc.)

Judges –

- o You may register judges from your congregation at any time during the registration process.
- o Select "Register Judges" under "Registration" page
- o Select your church number
- o Enter the requested information.
 - For each individual, under "Actions" select "Events"
 - Select the event and role for the volunteer then choose "Add Event"
 - Save the information.
 - Go to "Add Another Volunteer Judge"

Mail Payment (if this method of payment was selected at Registration)

- Checks should be made payable to SELTC o Print the Statement of Account and mail it with your payment.
- Payments should be mailed to:
 - o SELTC Office
c/o Riverchase Church of Christ
1868 Montgomery Highway
Birmingham, AL 35244

*Registration is not complete until payment has been made in full and confirmed by the Registration Coordinator

Hotel Registration Information
Deadline for hotel reservations is February 16, 2025

- Hotel room requests will be made during the Registration process.
- Room choices will be on a first come, first served basis.
- DO NOT OVER BOOK. If you over book the number of rooms by more than two rooms, SELTC reserves the right to charge you for the number of room nights that you did not use. This may seem severe, but overbooking can result in our being in default of our contracts with the hotel and, consequently, cause considerable financial penalties to SELTC.

For questions about hotel accommodations, please call the hotel (preferred) @ 205-988-5808.

Please note these additional rules

- Rooms are \$160
- Each room can sleep four.
 - Seven dollars of the cost is a rebate that goes to SELTC to cover the costs of the convention.
 - Suites are available with none, one or two connecting rooms.
- All groups must pay as a group.
 - There will be no individual room payment options except for incidentals. Guests can add their credit card to any individual room key to cover incidentals and parking.
 - Your congregation is responsible for all additional expenses in each room during your stay (including, but not limited to: room service, meals, and damages.)
- The congregation coordinator is responsible for making reservations for all participants and their families at the time of registration.
- The SELTC board highly recommends that at least one adult sponsor be in each room with your young people.
